- To whom it may concern. Nomination letter Juliette Young to represent iNGO Alternet in the stakeholder processes of IPBES

Dear sir, madam,

I hereby would like to inform you that Juliette Young is nominated to represent iNGO Alternet in the IPBES stakeholder meetings and following-up processes. Juliette Young is member of our Management Board team and responsible for the Science-Policy interface of Alternet ([www.alterneteurope.eu](http://www.alterneteurope.eu)). Her affiliation is the national research institute INRAE in France.

Alternet has been involved as stakeholder in the IPBES processes before and has already officially been accepted as stakeholder. We would however like to nominate Juliette to represent Alternet at the IPBES stakeholder meetings on a more regularly basis as to assist the IPBES as much as possible and constructive in the future.

With kind regards,

Maurice Hoffmann, Chair Alternet
