Letter of nomination of the focal point of IPBES

Dear Secretary of IPBES,

We, Institute of Soil and Water Conservation (ISWC), Chinese Academy of Sciences (CAS) and Ministry of Water Resources (MWR), founded in 1956 and the first scientific research institution established in the Northwest of China focusing on soil and water conservation, ecological restoration, dryland farming and sustainable development, are very pleased to be involved as an IPBES stakeholder, and would like to encourage our experts to serve the planet together with IPBES.

I, Prof. Hao FENG, the Director of ISWC, CAS and MWR, hereby designate Professor Fei WANG, the deputy Director of our institute, as the focal point for all IPBES activities, providing full contact information for the focal point to the secretariat and notifying the secretariat of any changes in the information.

Yours sincerely,

Professor Dr. Hao FENG

Director of Institute of Soil and Water Conservation, Chinese Academy of Sciences and
