Dear Dr. Larigauderie,

as a reply to your request EM/2021/33 (22 November, 02021) School of Natural Sciences and Engineering at Ilia State University presents the dean of the school, prof. David Tarkhnishvili, as an expert to prepare IPBES deliverables. Since prof. Tarkhnishvili was included already as a lead author of the Chapter 3 of the Global Assessment Report on Biodiversity and Ecosystem Services, his personal data are already stored in the IPBES database.
