

IIS

**INTERNATIONAL
INSTITUTE FOR
SUSTAINABILITY**

Rio de Janeiro, 22th July 2022

To IPBES Secretariat

Nomination of focal point to IPBES

The International Institute for Sustainability (IIS) is an independent think-and-do-tank focused on understanding the relationship between human society and the environment. Thus, we really appreciate to maintain the support as stakeholder organization for the preparation of Intergovernmental Science-Policy Platform on Biodiversity and Ecosystem Services (IPBES) deliverables.

Under the procedures, the IIS has decided to appoint a nomination of the above-mentioned focal points to IPBES:

Focal point:

Bruna Fatiche Pavani

Secondary focal point:

Rafael Loyola

Best regards,

Bernardo Baeta Neves Strassburg

President at International Institute for Sustainability
