To: IPBES Secretariat,

Dear Sir/Madam,

NOMINATION LETTER FOR ORGANISATIONAL FOCAL POINT

This letter is presented to Mr. Ebrima Jarra, current Executive Director, "The Soil Solution" a Gambian, in agreement with the Board and the Executive Council of "The Soil Solution" to be nominated for the Organisational Focal Point of the Intergovernmental Platform on Biodiversity and Ecosystem Services (IPBES) for the Gambia.

The letter highlights his extensive experience in the field of biodiversity conservation and sustainable development. The letter also outlines his impressive track record of successfully implementing conservation projects, especially land conservations, engaging with stakeholders, and promoting international cooperation.

Special emphasis on Mr. Jarra's commitment to advancing the goals of IPBES, includes his ability in promoting the use of scientific knowledge to inform policy decisions and enhancing public awareness of the importance of biodiversity and ecosystem services.

Overall, the nomination letter makes a compelling case for why Mr. Jarra is an excellent choice to serve as the organizational focal point for IPBES and for more here is his LinkedIn Profile
